

Colonial Early Education Program (CEEP) 2015-2016 Typical Peer Application-Updated 9/1/15

There is currently a waiting list for ALL CEEP classrooms. Families may apply, and their children will be placed on a waiting list.

Typical Peers participate in preschool programming with children with mild, moderate, and severe disabilities. This inclusion model of programming is beneficial to ALL children and is considered best practice. ALL three year olds who participate in our peer program are given the opportunity to return as full day fours the following year. The fee for half day children is \$175 per month (10 installments-\$1750 total), and the fee for full day children is \$350 per month (10 installments-\$3500 total). We currently have a waiting list for ALL full and half day spots. **We accept Purchase of Care, and our POC Site ID number is: 1890784400.**
